CAMPUS
SECURITY
UPDATE

The security office reports that during the final three months of 1992, money was taken from a desk drawer in Tennent Hall. Please remember to secure personal belongings. con't...

Remember to report to Security **anything** unusual: possible trespassers, thefts, heating problems, etc.

This office wishes to thank the Seminary community for its cooperation during 1992.

**TESTAMENT
SUBMISSIONS**

Testament is now accepting submissions for the winter issue. We are especially interested in poetry or short fiction works. Please include both a computer disk and printed copy of your submission. All material should be sent to Testament via the campus mail by **February 5**.

**CLASS
STEWARDS'
WORKSHOP**

Alumni/ae representatives from the classes of 1943 through 1992 will be on campus Tuesday and Wednesday, January 26 and 27, for a workshop about the alumni/ae roll call.

The roll call is an annual appeal to alumni/ae for donations to support the Seminary's operating budget. These class representatives are most interested in meeting students and faculty, since their fund-raising efforts benefit the "people" of this Seminary community. It is hoped you will take the opportunity to welcome them back to campus and perhaps share a meal with them (many will dine in the cafeteria).

Class stewards are a very dedicated group of volunteers, and it is hoped that these stewards will get to know the wonderful women and men who are the beneficiaries of their efforts.

**FROM
CAMPUS
SECURITY**

The Seminary has recently experienced several thefts of money and wallets. We would encourage all faculty, staff, and students not to leave personal belongings unsecured and to lock their rooms, apartments, and offices when they are away from them, even for short periods of time.

This should be taken as a precautionary measure.

APOLOGY

The stewardship committee wishes to apologize for its insensitivity in its selection of the painting used on the Week of Giving Cards and in its display. We are sorry for any pain the image may have caused and any offense it may have provoked. We are currently working with the ABS to form a joint project which would hopefully serve to counter the potentially destructive implications of the use of the painting on the cards.

Monday, February 8 (9:30 a.m. to 3:30 p.m.)

Leader: Thomas H. Groome, professor of theology and religious education at the Institute of Religious Education and Pastoral Ministry at Boston College.

FROM CAMPUS SECURITY

The Seminary has recently experienced several thefts of money and wallets. We would encourage all faculty, staff, and students not to leave personal belongings unsecured and to lock their rooms, apartments, and offices when they are away from them, even for short periods of time.

This should be taken as a precautionary measure.

STUDENTS!

Students in dorms and Roberts/Tennant Halls --

If you lock yourself out of your room or apartment during normal work hours, please try to locate the building custodian first. Do not call Security unless the custodian cannot be located. This saves time and is often faster than calling Security, who may be at another part of the campus, unable to immediately come to your aid.

**CHANNEL 12
PROGRAMMING**

Cycle One: (Sunday, Monday, Wednesday, Friday)

"Eyes on the Prize, part 3" (60 mins.)

"Eyes on the Prize, part 4" (60 mins.)

and history (60 mins.)

**NOTICE TO
SEMINARY
COMMUNITY**

Please return all food trays, dishes, glasses, and silverware to the cafeteria as soon as possible. **Do not allow trays/dishes to accumulate in rooms, hallways, or lounges.** This is unsanitary and creates a health hazard.

If you have borrowed through one of the federal student loan programs (i.e. Stafford, Perkins, or S.L.S.), you are required to have an exit interview with a member of the financial aid office staff to discuss your repayment, rights, and responsibilities. Please contact the financial aid office for an appointment between March 8 and March 30 to fulfill this obligation.

THANKS!!

Thanks to all who participated in the Stewardship Committee's annual **Stuff Auction**. The event raised a total of more than \$3,000 (about \$1,000 more than last year) for VOICE (Visionaries of International Christian Endeavors), which helps handicapped and disadvantaged children in the Philippines.

**RESIDENTS
OF CRW**

The Seminary is installing automatic door closers on the entrance door of each apartment unit. This is required by the West Windsor fire code. Each door has been adjusted to meet the proper code requirement. Please do not tamper with these doors in any way. This is for your protection and welfare. The Seminary can be fined if there is evidence of tampering with these door closers. **Any fines will be passed on to the tenant.**

Thank you for your understanding and cooperation.

**PARKING AT
PTS**

It is important to state once again that cars are not to be parked on the quad or the main campus at night. This is for the safety of all of us as it assures the easy access of emergency vehicles when necessary. It is especially important during the winter as it allows snow removal equipment to clear the area.

Please do not park cars on the quad if it snows during the day. Use the staff and student lots so crews can clear away snow and apply sand/salt to the roadway.

**LOST AND

The Stewardship Committee wishes to recognize Dawn Russell, M.Div. Jr., for her outstanding efforts in the stewardship book-sale. This year the booksale raised more than \$11,050 for seminaries in Jamaica, Thailand, Kenya, and Ghana. A special thanks to those who appraised the books and worked the silent auction. This event would not have been successful without the hard work of everyone who helped haul and sort the books and those who worked as cashiers. We are very grateful for the support of the PTS community in purchasing books and for the continuing support of stewardship efforts. Thanks to all!!

**SEEKING
DONATIONS**

Johnny Tlang Nawl was one of three Th.M. students from Burma (now Myanmar) who lived in Erdman last year. Many of us knew Johnny by his kindness. He has returned to Burma where he is now facing a terrible famine affecting an estimated 50,000 people in his region, burying twenty to thirty children and adults **every day** from disease and lack of food.

con't...

A table will be set up during lunch the week of April 12 through April 16 to answer questions and take donations. One US dollar equals 120 kyats, enough to buy twenty-four cups of rice, which can sustain a child until harvest in June. Let us help a former member of our community who is now struggling to help his people in Burma.
